01

Core Values

Trust. Transparency. Teamwork

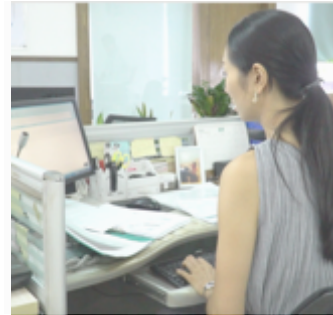

Core Values

Trust

Foundation of all successful business. We trust our partners and as well as our employees.

This network of deep trust creates a fast and professional outcome.

Transparency

Not only the making of sample and production are transparent.

Even our procurement and communication are so clear that you feel clear and safe.

Teamwork

From coworkers to friends. We work cohesively with our suppliers, vendors, and all our business partners.

Teamwork make us perfect harmony.

M & V

Mission

By using limited resources to create unlimited imagination on all products.

Vision

Being the world leader in shoes and fashion industry

02

Problem vs. Solution

Simplify your obstacles

Problems ?

Who: Who are the best?

Where: Where are they located at?

When: Are they able to deliver?

What: Are they offering the most suitable product?

How: How can I find them?

Why: I need them to be cheap!

Solution

Look for TRISTAR

From thought to product.

03

Who are we?

Necessity creates

Our stories

TRISTAR GROUP

1987

Established in 1987,
original exporting shoes
from Taiwan to world.

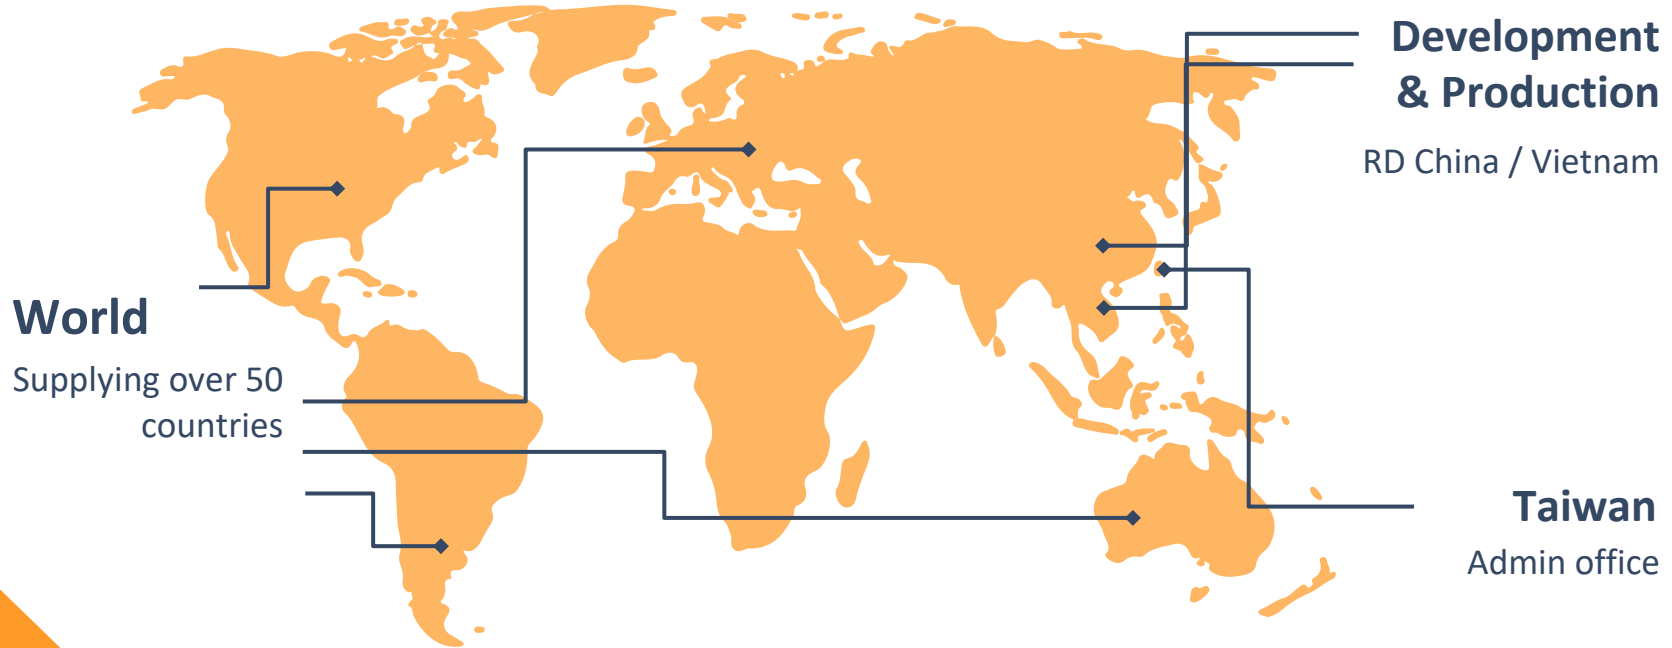

Dongguan, China

In 1999 we have our first
office in China, and now
it's our main development
office.

World

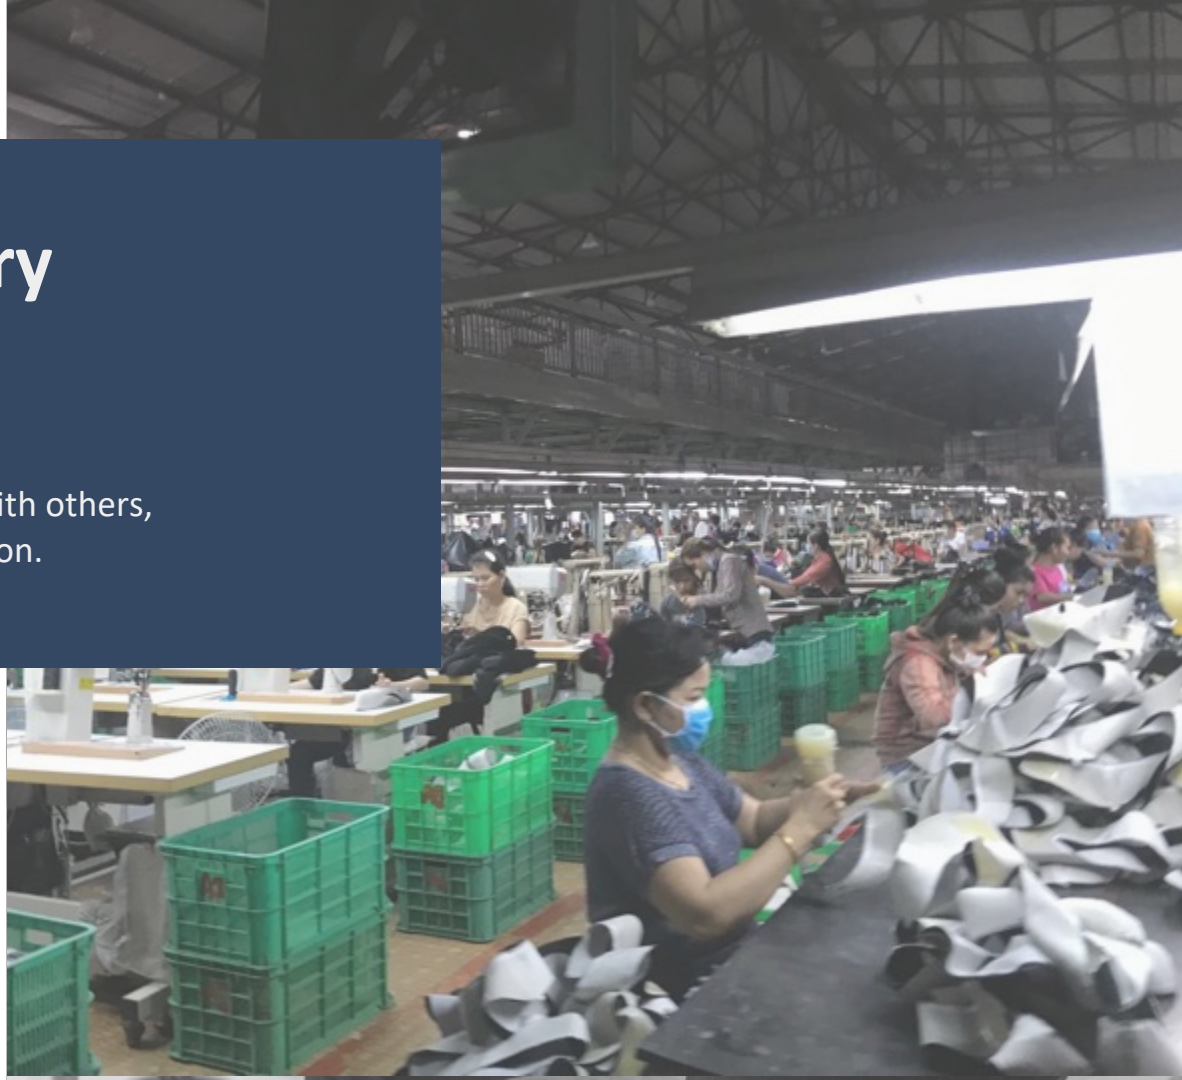

Now we are supplying
over **30+ brands**, and over
50+ countries in the world.

Production Site & Market locations
